

Keep Utopia Beautiful

Our Vision: To be nurturing stewards of our canyonlands

Keep Utopia Beautiful (KUB) is a volunteer-based organization that has provided environmentally friendly programs and services for over 10 years in the Utopia area.

Regional Recycling

The Utopia Recycles program serves residents, visitors, businesses, ranches, and parks in a 5-County region by collecting a wide range of recyclable materials at **no cost** to our customers.

KUB also conducts Event Recycling Assistance and an annual Bulky Household Waste Day.

Beautification & Community Improvement

KUB supports its community through Town & Adopt-a-Highway Cleanups, the Maple Tree project and “Welcome to Utopia” and Town Square landscaping programs

Stewardship and Education

The Stars Over Utopia Project educates the community about the importance of protecting our Dark Skies and works to eliminate light pollution in the upper Sabinal Canyon.

KUB provides advocacy on environmentally sensitive issues facing the canyonlands.

KUB needs volunteers & donations to provide these services.

Your support is greatly appreciated!
